## Golf Shop News

By Jordy Vetter, PGA Head Professional

Goodbye winter and hello spring. The course is looking fantastic, and the Master's is upon us. I feel that Tiger will get #5 this year even though Phil puts his whole practice routine on this tournament. I am hearing a lot of comments on the speed of the greens. I would like to remind everyone that it is still the first part of April. I feel that the course at this time is in the best shape I've ever seen it. Wow, this is my sixth year. We will be aerifying and verticutting the fairways probably as you get this newsletter. The Spring Member Member sign up board is in the golf shop, it's going to be a two person scramble. Cost is \$125, which includes carts and lunch for both days. Powerball starts back up on April 4th. If you are a new member or an old member and have not played in Powerball, let me just say, you are missing out. As mentioned before, the course is in outstanding shape so let's keep it great all season, by filling in divots and fixing ballmarks. Please be aware of the pace that has been set in front of you, and respectful of the pace behind you. See you out at the club.

## Turf News

By Richard Webster, Course Superintendent

The winter of 2006 is slowly on its way out and we are welcoming Spring with open arms. The temperatures are continuing to increase which translates into the golf course greening up. As the air temperatures rise so do the soil temperatures. This creates a good growing environment. Once the soil temperatures stabilize we can start lowering the height of cut on the greens and work on increasing the green speed. We must know the grass is actively growing every day before we can do this. We have already been doing some light grooming and sanding of the greens. The tee on #3 is in the process of being leveled and is close to resodding. Within the next three weeks we will begin to aerify the tees and all fairways as we did last year. So enjoy the changing of the seasons and enjoy your golf.
