Golf Shop News

By Jordy Vetter, Head Golf Professional

On behalf of the golf shop staff and the outside service employees, I would like to thank you for a wonderful 2005, and look forward to a great 2006. I hope you enjoyed the newsletter that we have published for you during the second half of the year. Along with the tournament and social committees, we should have some exciting events scheduled for this next year.

Our annual Christmas Balloon sale will take place on December 8th from 6pm – 9pm. We will have some appetizers and see if we can talk you into having a beer or glass of wine with us. It should be a great night for savings and using up the credit book (plus a little more) that you have accumulated during the year.

I am in the process of getting some new "gift cards" for the golf shop. These cards will be redeemable for basically anything in the golf shop. You will be able to use it for merchandise and green fees, I am hoping that it might have the capabilities to take over the credit book procedure that we currently have in place. I will let you know when they are in.

I know that everyone is very busy during this holiday season, but please set aside some time to relax and play some golf. Make sure that you do all of your Christmas shopping at the golf shop at Great Southwest.

I wish everyone a safe and wonderful holiday season, and I will see out at the club.

From The Course

By Richard Webster, Course Superintendent

The months continue to change but the unseasonably warm temperatures and prolonged dry spell goes on. We have had a couple of frosty mornings, but they were soon followed by quick warm ups. We are continuing our efforts in mulching and cleaning up the leaves as they fall. We have also started leveling and moving some of our sprinkler heads around the greens for better watering and to alleviate over and under watering. As you may have noticed the bamboo along the creek by #4 green was cleaned up. This was done to gain access to our electric supply and drainage pipes that had become over run by the bamboo. We will finish off the project by leveling the ground and adding sod and some plant material to the area. The weather reports seem to all say that the temperatures will be unseasonably warm for some time so get out and enjoy the course and good golfing. All of us in golf maintenance wish you all a happy holiday.
