Golf Shop News

By Jordy Vetter, Head Golf Professional

I hope that everyone had a very enjoyable and safe holiday season. I look forward to a very good year in 2006. The course is in very good shape going into the New Year and we will not be behind the eight ball as we were last year at this time. I will be producing a tournament schedule for 2006 as soon as I get with the different tournament committees in January. Just to give you a head's up on the aerifications for 2006. Stan, Richard and I have already planned for aerifications to take place on May 9, June 13, and July 11. These dates are weather permitting and subject to change, but if they do, they will be in very close proximity to the above dates. I will be adding these aerification dates to the tournament schedule, so you will be able to plan accordingly. As in years past, we will conduct the same type of tournaments, but with some changes to the dates in which we had the tournaments. My plan is to not have any tournaments conducted over holiday weekends.

The Great Southwest Golf Shop will be carrying the following apparel lines for the upcoming year: Adidas, Ashworth, Cutter & Buck, Dunning, and Greg Norman. The club lines will remain the same with some emphasis on Taylor Made, they are coming out with some exciting new products. We will continue to have as many different "demo days" as possible from various vendors. Please remember, we still have lower prices than most of the larger golf "superstores". The Palmer group has made a commitment to carry on your "Member Advantage" pricing. I look forward to seeing everyone this year and try and play as much golf as possible.

From The Course

By Richard Webster, Course Superintendent

The year is closing out as one of the driest in recent memory. As a matter of fact, it has been the driest in the last 50 years of record keeping. The temperatures continue to set record highs through out the month of December.

Overall the course is in good shape. We did have a very short spell of cold weather were it was necessary to cover the greens, however, the way the weather is going we may not need to cover the greens often this winter. As we continue to care for the greens, when the cold weather does hit and the need arises we will cover the greens to protect them.

The crew continues to sweep and mulch the leaves from the trees as they fall and it seems to be finally coming to an end. This year, the leaves have taken longer to fall due to the unusually warm winter we have been experiencing. We look forward to a very productive new year ahead and would like to wish each of you a very happy new year and good golfing.

**Happy
New Year!**

Another year has come and gone. 2005 was a great year for Great Southwest. With your help and support we signed up over 115 new members and had a net growth for the first time in years. I am very excited about kicking off 2006 with such a great membership. Together, we will reach our target of 80 more members. If you know of anyone you would like to invite to the club, please stop by the membership office. Congratulations on a great 2005 and Happy New Year!

Keep an eye out for Club email updates. If we don't have your address please reply by email to lharrison@greatsouthwestgc.com.
