Membership News

By Lisa Harrison, Membership Director

We are quickly approaching a club milestone, the halfway point on our quest to add 100 net members to the club. Once we achieve our 100th net add, **YOU**, the members, will select where the money is spent, i.e. expanded driving range, leveling tee boxes, 6922 ,new sand traps, a fence around the golf course, etc. What do you want to see done?

We need your help to make the final push to get us there. Please invite your friends, family and coworkers to become a part of this special club and to share the memories that you have here at GSW!

Turf News Overview

By Richard Webster, Course Superintendent

The course is holding up well in the heat and with all of the cut backs in watering. We have started to preserve water and use what we have sparingly. Currently we are watering greens and tees every night and will continue to do so. The fairways, rough and surrounds are being done every other day. If our water source continues to decline we will go to every three days. If more water comes available we will start to spot water during the day. Unfortunately the only answer is lots of rain. We just finished our last greens aerification for 2006 and we won't do another one for 8 months. We have been fertilizing the greens extra to help the healing process. We will be concentrating on green speed now. We will dethatch the greens, do a light sanding, and follow with a foliar spray application. We are very close to opening #6 tee for play. The bunkers will be edged along with our regular weed eating and edging. The long hot summer is hopefully coming to an end the day light hours are becoming shorter and that will lead to cooler nights that will assist in irrigating the course.

Golf Shop News

Did you know...?

Did you know that this will be a very busy month here at GSW?

Did you know that GSW will be hosting the NTPGA Metro Chapter Championship on Monday Sept. 11th? Did you know that the club will be closed that Monday, but we will be open that Tuesday for the inconvenience? Did you know that someone's membership number is once again in this newsletter for free carts for the month of September? Did you know that the Men's Club Championship will be held September 8th through the 10th? Did you know that the entry fee will be \$125.00, but that will include carts each day, beer on Friday after your round and lunch on Saturday and Sunday? Did you know that we desperately need some rain? Did you know that Lauren passes out scented towels on the weekends? Did you know that we are free of green aerifications for 9 months? Did you know that I am extremely tired of hearing about T.O. already? Did you know that Tiger is the best ever?

Did you know that I gotta go?
