

Golf Shop News

By Jordy Vetter
PGA Head Professional

I certainly hope that we are finished with the cold weather! We have been very lucky this winter with the warmer weather. In my last newsletter, I asked all of you to think of individuals that you might like to invite to join Great Southwest, and I want to thank all of you who brought your friends to see me. I appreciate all of your support of Great Southwest.

We are now officially into the tournament season and I feel that we have put together a very exciting tournament lineup for 2006. I would like for everyone to get involved in as many tournaments as possible. It will help from several aspects; it will help in meeting new and existing members of the club, and it will help you in adjusting your game to tournament play.

We also have several demo days already set up for this spring. Nike will be here Friday March 3rd, Ping and TaylorMade, will both be here on March 31st. These days are on Fridays, I felt Fridays would be a good time for everyone to cut out of work a little early, try some new products, and then go play a little golf. A few reminders for everyone: please remember to fill in your divots and repair your ballmarks, plus one more on the greens. Also, no single carts, 3 carts to a fivesome, and 2 carts to a foursome.

Vol 2 Issue 3

Great Southwest Golf Club 612 Ave J E
Grand Prairie, TX 75050
Main Number: 972-647-0114

Do you need a game? Do you want to meet some new members? Starting Wednesday March 22nd, we will be setting aside tee times on Wednesdays from 1:00 - 1:30 pm for anyone that might be interested in playing in a competitive game. Basically the formats would be Team Nassau's and skins. Sound fun? Check with the golf shop on more details. See you out at the course!

From The Course

By Richard Webster, Course Superintendent

During February we continued our work on leveling drain grates around the greens. It is a project that we will continue to work on through out the rest of the winter. The project we started on # 4 is also proceeding along well. We will begin the process of moving in landscaping bushes, as well as, some decorative trees soon.

Many of you had brought up the issue with the poa. We addressed this issue by spraying a product that first stops the growth of the plant, then kills it off. This is a timely process, but it does succeed in taking out the poa.

In the coming month we will continue to work on these projects, as well as, some others including trimming and cutting out dead trees and limbs. Winter is not over yet as the ground hog has stated, but do get out and enjoy the golf whenever possible.

MEMBERSHIP

By Lisa M. Harrison, Membership Director

Please welcome our newest members:

Matt Hubbard **Harry Simmes**
Steve Lane **Ken Hamen**

As most of you know we are only 80 members from reaching our goal. With the money that the club will receive there are so many things that we can do, such as improving the driving range, fencing the golf course, and updating the clubhouse for instance. Each of you know at least one person in the Metroplex that loves to golf and that would make a perfect member at Great Southwest. When you think of that very person, please call me or send me an email so we can invite them out to experience GSW. Remember 1 new member from each current member will put us well over our goal!

If you would like to nominate a friend please email their name, phone number and address to lharrison@greatsouthwestgc.com.
