Turf News Overview

By Richard Webster, Course Superintendent

The fall colors are out and everything looks beautiful. With the shorter days and fewer light hours, along with the cooler temperatures many of the trees are beginning to loose their leaves. Currently a lot of our time is being spent sweeping, and raking leaves around the course. We are also trimming trees and cutting down the dead ones through out the course. It appears that we are only days away from our first freeze, so get out and enjoy the nice weather before it turns cold. We hope that you will come out, enjoy the course and bring along a friend. Happy Holidays from the maintenance department.
