## Membership News

By Lisa Harrison, Membership Director

We are quickly approaching a club milestone, the halfway point on our quest to add 100 net members to the club. Once we achieve our 100<sup>th</sup> net add, **YOU**, the members, will select where the money is spent, i.e. expanded driving range, leveling tee boxes, new sand traps, a fence around the golf course, etc. What do you want to see done?

We need your help to make the final push to get us there. Please invite your friends, family and coworkers to become a part of this special club and to share the memories that you have here at GSW!

## From Your LGS

# "Ladies of Great Southwest"

Who's going to be the Lucky Member?

The Ladies of Great Southwest would like to invite more ladies to join and play golf with the group. We have scheduled Playdays once a month on Saturdays as well as monthly Couples' Tournaments on Sundays. There is always a group of ladies that play every weekend and send out emails to the group so that anyone can join in. If you aren't on our email list please send a note to Lisa Harrison or Stacey Mendoza and we will add you to our list.

## Turf News Overview

By Richard Webster, Course Superintendent

The rain we have received over the last month has been wonderful for the course. After this summer's drought we need as much rain as we can get. Most of our efforts this month have gone into preparing for the Men's club championship and Tee Esta. We have been consistently working on lots of mowing, edging and weed eating. The Men's Club Championship and Tee Esta both went very well and the golf course has continued to be in great shape. We will continue to focus on the course and maintaining its current condition. We did spray a foliar fertilizer to the greens this month. We hope you continue to enjoy the nice weather and see you on the course!

Did you know...?

Did you know that taking painkillers and being mentally imbalanced do not mix? Did you know that I feel this year's Tee Esta was a wonderful time felt by all that participated? Did you know that the course is in tremendous condition. This is now the time that we reap the rewards from the aerifications that we experienced this summer?

Did you know that the LGS Couples Championship and the Fall Member Member are still on the books to be played this year? Did you know that the Mavs are heading to two a days already? Did you know that we need to take care of the course even more now?

Did you know that I gotta go?
