

Membership News

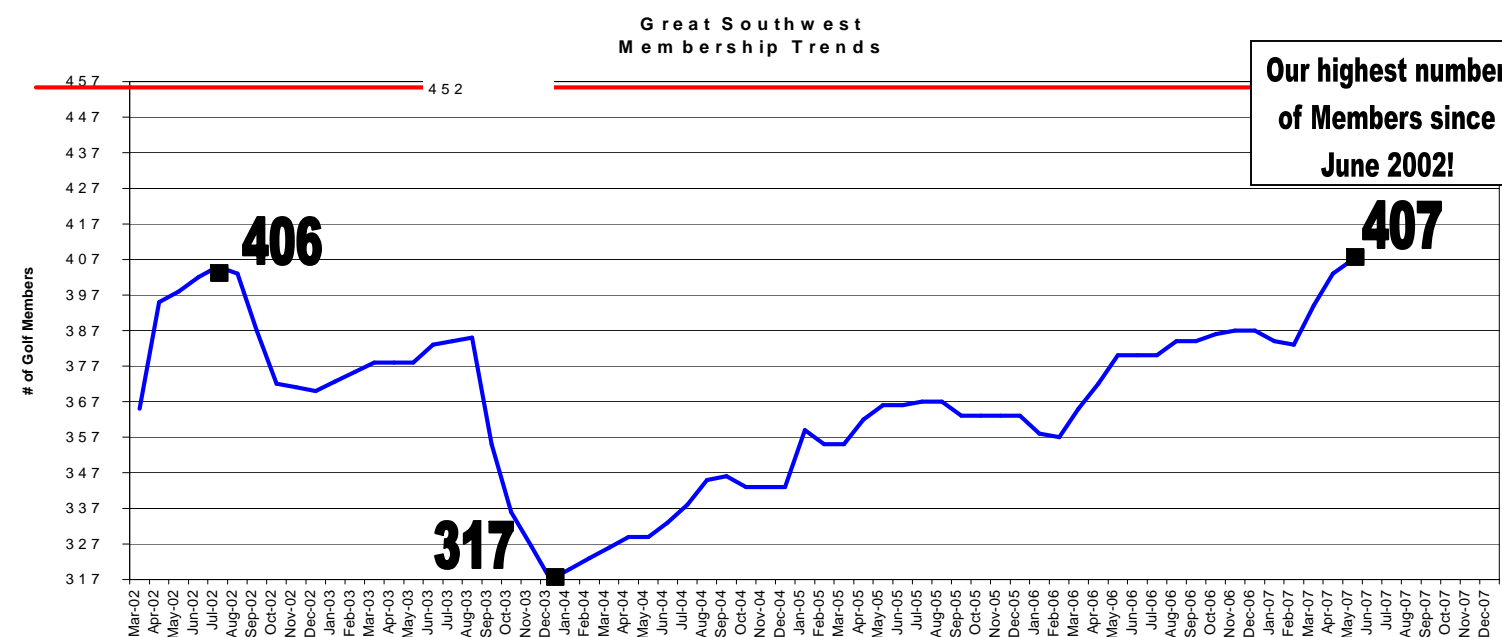

By Lisa Harrison, Membership Director

Only 44 to trigger the membership capital fund!

At the company quarterly sales meetings we always review our graph and share it with other clubs. Of course we always like to show our graph because we are so proud of it! It tells our story of success. That success story is our members and the support that they constantly give through referrals. We have continued to grow since Arnold Palmer Management purchased the club in March of 2005. Below is our graph!

Every once in a while a member will tell me they are "tapped out" of referrals. Then they are back in a week with a new neighbor to refer. It is now more important than ever that we continue thinking about who we would like to see invited to join the Club and give referrals to us. So don't forget to request an invitation to be sent to your nominee.

Turf News

By Richard Webster, Course Superintendent

Rain is the operative word for this month and lots of it. We have gone from the grips of a two year drought to being caught up on rain with the local lakes above normal. Unfortunately all the wet weather has led to the need for the cart path only request much more than normal. My staff and I would like to thank you all for your efforts during this month. It helps to preserve and deliver quality playing conditions during this wetter than normal time. Much of our time this past month has been used to play catch up on the course. We have been able to fertilize the entire course this month, edge bunkers and cart paths and catch up on some weed eating. June only looks to get more intense in all our mowing practices. So here is to some good weather and better golfing.

A Note From The MGA Board

We want to especially thank those of you who participated in the May Tournament. The weather was very unpredictable, but held off just long enough to play the tournament. Congratulations to the following winners:

- 1st Place: Ted Waldrip, Ron Smith, Don Moore
- 2nd Place: Phillip Webster, Craig Malan, Bruce Curtis, Dane Field
- 3rd Place: Jay White, Mark Pistorius, Nick Chonich
- 4th Place: Gary Taylor, Charlie Plunk, Bill Hickey, Don Ellis

Mark Pistorius was the winner of this months raffle: 20 free carts!

Have you missed out on these great tournaments? No problem, you can sign up for the MGA at any time during the tournament season. Your next tournament is June 16, details coming soon. Burgers and beer are served after every tournament.

I believe that everyone should have received my latest letter and I really don't have anything else to say. I hope that you will take advantage of the "Share the Tradition" guest policy that we now have in place. I think it's a pretty good deal.

I think we have had enough rain for awhile. The MGA conducted their latest tournament over the Memorial weekend. We had some rain situations to deal with, but all in all, everyone had a good time.

We only have 44 more to go!

The course is in fantastic shape. So get out there and play!

Bill Welson is going to start a "Great Southwest Group Instruction" program. Every Tuesday morning, Bill will work with juniors. Every Tuesday evening, Bill will work with the ladies and on Wednesday mornings, Bill will work with the seniors. I will have more info posted in the golf shop for you pretty soon.

See you out at the course!

Ladies of Great Southwest
